

Multiplier event report INTEGRA

Digital Competences and Intercultural Values in e-Learning Environments (e-Civeles) project

Multiplier Seminar Report

INTEGRA organised a Multiplier Seminar for this project on 5th September 2019. We had invited experts from labour market organisations, from the Ministries for education and for social affairs, as well as educational institutions and rehabilitation centres.

Altogether, 14 people attended the event. They came from various organisations (see below).

The Multiplier Seminar consisted of three parts:

- The plenary session comprised the welcome address, an introductory keynote by Aleksandra Tabaj, URI SOČA, about the special needs for intercultural competences will bring especially for people with disabilities, and the presentation of the e-Civeles project through the Slovenian project manager, Sonja Bercko Eisenreich.
- a workshop focusing on the online games on cultural heritage, historical heritage and inclusion.
- a final round table discussion about the awareness raising needs and new requirements on intercultural skills for the future.

The participants came from the following institutions:

English name	Slovene name	address
Labour office	Zavod RS za zaposlovanje Velenje	Rudarska cesta 6a, 3320 Velenje
